

**AMENDMENT TO**  
**RULES COMMITTEE PRINT 117-43**  
**OFFERED BY MR. HORSFORD OF NEVADA**

Page 43, line 8, strike “pathways; and” and insert “pathways;”.

Page 43, line 16, strike everything after “116(f)” and insert “; and”.

Page 43, after line 16, insert the following:

1                   “(viii) how the State’s strategy will  
2                   ensure that information about each recog-  
3                   nized postsecondary credential that is ob-  
4                   tained by any program participant of a  
5                   core program described in subclause (V) of  
6                   section 116(b)(2)(A)(i), and the levels of  
7                   performance achieved with respect to such  
8                   participant on the performance account-  
9                   ability indicators under clauses (i) and (ii)  
10                  of section 116(b)(2)(B) and the other per-  
11                  formance measures under section 116, and  
12                  the competencies, role in career pathways,  
13                  and alignment to in-demand industry and  
14                  occupational skills of such credential, at a

1 minimum, will be made fully available  
2 under section 116(d)(6)(A) to the public as  
3 transparent, linked, open, and interoper-  
4 able data using open formats that are  
5 human readable and machine actionable.”;

Page 70, strike lines 9 through 25, and insert the  
following:

6 “(viii) STATISTICAL ADJUSTMENT  
7 MODEL.—The Secretary of Labor and the  
8 Secretary of Education shall—  
9 “(I) develop and disseminate an  
10 objective statistical model—  
11 “(aa) that will be used to  
12 make the adjustments in the  
13 State adjusted levels of perform-  
14 ance for actual economic condi-  
15 tions and characteristics of par-  
16 ticipants under clauses (v) and  
17 (vii); and  
18 “(bb) that has been peer re-  
19 viewed by a technical working  
20 group of not less than 3 re-  
21 searchers, and not less than 2  
22 State data performance and anal-  
23 ysis technical specialists, and the

1                   representatives described in para-  
2                   graph (4)(B); and  
3                   “(II) publicly disclose the factors  
4                   included in the statistical adjustment  
5                   model, and the results of the peer re-  
6                   view in subclause (I)(bb), in a report  
7                   describing the model used to deter-  
8                   mine the adjusted levels of perform-  
9                   ance.”;
